 Oslo, Norway

Educator and program coordinator with 7+ years of combined experience designing learner-centred curricula for diverse audiences across countries, cultures, and contexts. Five years teaching English at primary and tertiary levels in the Philippines and Thailand, followed by curriculum design, facilitation, and end-to-end program coordination at a Norwegian NGO. Skilled at translating complex topics into clear, participatory learning, and at coordinating multiple stakeholders. Fluent English. Based in Oslo with full right to work in Norway. No visa sponsorship required.

EXPERIENCE HIGHLIGHTS

Freelance Digital Marketing Consultant Tarsier Digital Solutions - Oslo, Norway

2024 - Present

- Run digital marketing and content for founder-led brands in parallel with education work.
- Plan and execute content strategy and campaigns across LinkedIn, Instagram, and Meta for 5+ small businesses
- Build landing pages in WordPress and Squarespace
- Use Notion for briefs, content calendars, and asset management
- Integrate AI tools (Claude, ChatGPT, Claude Code) into daily workflows

Project and Social Media Manager – Program & Communications Charge AS - Oslo, Norway

Jan 2024 - Jul 2025

- Led end-to-end production of the Charge Fremtiden youth entrepreneurship program, owning project documentation, asset organisation, and cross-functional communication across teams and partners.
- Designed the full learner-centred curriculum across six themes including sustainability, social impact, equality and equity, and innovation
- Built each session around participatory activities and structured discussion
- Co-facilitated sessions directly, adapting content in real time
- Coordinated 3 facilitators and 2 volunteers per session across 6 workshops for 30+ students from Oslo International School
- Restructured a complex project database into an accessible system using universal design principles for BSR Go-Aboard Project, an international entrepreneurship project
- Developed training materials, facilitator guides, and session content
- Primary Norwegian contact for the BSR Go-Aboard international collaboration program

Educator and Curriculum Developer - Thailand and Philippines Diliman Preparatory School, Quezon City · Plearnpattana School, Bangkok

2015 - 2020

- Contributed to a new English curriculum at Plearnpattana School, adapting pedagogy for multilingual learners
- Designed syllabi and course content for tertiary-level English, linguistics, and academic writing
- Applied adult learning principles at tertiary level and participatory methods at primary level
- Built foundational practice in cross-cultural learner sensitivity

EDUCATION

- Bachelor of Secondary Education (Major in English) – New Era University, Philippines (2010–2015)
- Project Management Course – Udemy, Coursera (2026, ongoing)
- Cultural Exchange Programs – The Netherlands & Norway (2020–2023)

TOOLS

Notion | Google Workspace | Microsoft 365 | Canva | CapCut | WordPress | Squarespace | Webflow | Meta Business Suite | Google Analytics | Claude | ChatGPT | Claude Code

CORE COMPETENCIES
